TEXAS VS TEXAS A&M ALUMNI WEEKEND

TEXAS 25 - A&M 3

WALKING WITH PURPOSE

Congratulations to Texas Rugby for their dominant performance over Texas A&M during our alumni weekend. It was an absolute pleasure to meet all the alumni, have a beer with them after the game, and have them come down and support us against our rival. As current players and coaches, all of us here at Texas Rugby enjoyed spending time with you alumni and fans, and we're looking forward to seeing you come out again for our next home game!

Back to rugby, Texas put an absolute master class against A&M. Our forwards were consistent in their hard carries, and our backs did a lot of the heavy work coordinating the offense to pick apart A&M's defense. On the flip side, Texas' defense was fantastic, as they only allowed one penalty kick and held A&M off twice when they were in the try zone. Texas capitalized both on A&M's mistakes as well as what they could individually control in the game. From the bench to the players on the field, every single member of Texas Rugby gave everything they had to win and it showed on the field. We're incredibly proud and honored to bring this win to all of us who love Texas Rugby. 15 years is far too long, we're looking forward to our rematch with A&M at home this coming semester so we can bring another victory for Texas Rugby.
